Introduction

On December 23, 2004, President George W. Bush signed the Federal Employee Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The Act directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants, and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants.

This brochure describes the benefits of The MetLife Federal Dental Plan under Metropolitan Life Insurance Company (MetLife) contract OPM01-FEDVIP-01AP-10 with OPM, as authorized by the FEDVIP law. The address for our administrative office is:

If you are enrolled in this Plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One, you and your designated family member are entitled to these benefits. If you are enrolled in Self and Family coverage, each of your eligible family members is also entitled to these benefits, if they are also listed on the coverage. **You and your family members do not have a right to benefits that were available before January 1, 2018 unless those benefits are also shown in this brochure.**

OPM negotiates rates with each carrier annually. Rates are shown at the end of this brochure.

The MetLife Federal Dental Insurance Plan is responsible for the selection of In-Network providers in your area. Contact us at (888) 865-6854 TDD (888) 260-5376 for the names of participating providers or to request a provider directory. You may also view current in-Network providers via our web website at federaldental.metlife.com. Continued participation of any specific provider cannot be guaranteed. Thus, you should make coverage decisions based on the plan benefits, not based on a specific provider. When you phone for an appointment, please remember to verify that the provider is currently in the MetLife network. If your provider is not currently participating in the provider network, you can ask him or her to join; or ask your dentist to visit www.metdental.com or call (877) MET-DDS9. Note this website and phone number are specifically for dentists and not accessible to employees/annuitants. You cannot change plans, outside of Open Season, because of changes to the provider network.

Provider networks may be more extensive in some areas than others. We cannot guarantee the availability of every specialty in all areas. If you require the services of a specialist and one is not available in your area, please contact us for assistance.

This MetLife Federal Dental Plan and all other FEDVIP plans are not a part of the Federal Employees Health Benefits (FEHB) Program.

In addition to the annual Open Season, there are certain events that allow you to make specific types of enrollment changes throughout the year. Please see Section 2, Enrollment, for more information.

Section 1 Eligibility

Federal Employees

If you are a Federal or U.S. Postal Service employee, you are eligible to enroll in FEDVIP, if you are eligible for the Federal Employees Health Benefits (FEHB) Program or the Health Insurance Marketplace (Exchange) and your position is not excluded by law or regulation, you are eligible to enroll in FEDVIP. Enrollment in the FEHB Program or a Health Insurance Marketplace (Exchange) plan is not required.

Federal Annuitants

You are eligible to enroll if you:

- retired on an immediate annuity under the Civil Service Retirement System (CSRS), the Federal Employees Retirement System (FERS) or another retirement system for employees of the Federal Government;
- retired for disability under CSRS, FERS, or another retirement system for employees of the Federal Government.

Your FEDVIP enrollment will continue into retirement if you retire on an immediate annuity or for disability under CSRS, FERS or another retirement system for employees of the Government, regardless of the length of time you had FEDVIP coverage as an employee. There is no requirement to have coverage for 5 years of service prior to retirement in order to continue coverage into retirement, as there is with the FEHB Program.

Your FEDVIP coverage will end if you retire on a Minimum Retirement Age (MRA) + 10 retirement and postpone receipt of your annuity. You may enroll in FEDVIP again when you begin to receive your annuity.

Survivor Annuitants

If you are a survivor of a deceased Federal/U.S. Postal Service employee or annuitant and you are receiving an annuity, you may enroll or continue the existing enrollment.

Compensationers

A compensationer is someone receiving monthly compensation from the Department of Labor's Office of Workers' Compensation Programs (OWCP) due to an on-the-job injury/ illness who is determined by the Secretary of Labor to be unable to return to duty. You are eligible to enroll in FEDVIP or continue FEDVIP enrollment into compensation status.

Family Members

Eligible family members include your legal spouse and unmarried dependent children under age 22. This includes legally adopted children and recognized natural children who meet certain dependency requirements. This also includes stepchildren and foster children who live with you in a regular parent-child relationship. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support.

FEDVIP rules and FEHB rules for family member eligibility are **NOT** the same. For more information on family member eligibility visit the website at www.opm.gov/healthcare-insurance/dental-vision or contact your employing agency or retirement system.

Not Eligible

The following persons are not eligible to enroll in FEDVIP, regardless of FEHB eligibility or receipt of an annuity or portion of an annuity:

- Deferred annuitants
- Former spouses of employees or annuitants
- FEHB Temporary Continuation of Coverage (TCC) enrollees
- Anyone receiving an insurable interest annuity who is not also an eligible family member

Section 2 Enrollment

Enroll Through BENEFEDS

You must use BENEFEDS to enroll or change enrollment in a FEDVIP plan. BENEFEDS is a secure enrollment website (www.BENEFEDS.com) sponsored by OPM. If you do not have access to a computer, call 1-877-888-FEDS (1-877-888-3337), TTY number 1-877-889-5680 to enroll or change your enrollment.

If you are currently enrolled in FEDVIP and do not want to change plans your enrollment will continue automatically. Please Note: your plan(s) premiums may change for 2018.

Note: You cannot enroll or change enrollment in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through an agency self-service system, such as Employee Express, PostalEase, EBIS, MyPay, or Employee Personal Page. However, those sites may provide a link to BENEFEDS.

Enrollment Types

Self Only: A Self Only enrollment covers only you as the enrolled employee or annuitant. You may choose a Self Only enrollment even though you have a family; however, your family members will not be covered under FEDVIP.

Self Plus One: A Self Plus One enrollment covers you as the enrolled employee or annuitant plus one eligible family member whom you specify. You may choose a Self Plus One enrollment even though you have additional eligible family members, but the additional family members will not be covered under FEDVIP.

Self and Family: A Self and Family enrollment covers you as the enrolled employee or annuitant and all of your eligible family members. You must list all eligible family members when enrolling.

Dual Enrollment

If you or one of your family members are enrolled in or covered by one FEDVIP plan, that person cannot be enrolled in or covered as a family member by another FEDVIP plan offering the same type of coverage; i.e., you (or covered family members) cannot be covered by two FEDVIP dental plans.

Opportunities to Enroll or Change Enrollment

Open Season

If you are an eligible employee or an eligible annuitant, you can enroll in a dental and/or vision plan during the November 13 through midnight EST December 11, 2017 Open Season. Coverage is effective January 1, 2018.

During future annual Open Seasons, you may enroll in a plan, or change or cancel your dental and/or vision coverage. The effective date of these Open Season enrollments and changes will be set by OPM. If you want to continue your current enrollment, do nothing. Your enrollment carries over from year to year, unless you change it.

New hire/Newly eligible

You can enroll within 60 days after you become eligible as:

- a new employee
- a previously ineligible employee who transferred to a covered position
- a survivor annuitant if not already covered under FEDVIP
- an employee returning to service following a break in service of at least 31 days

Your enrollment will be effective the first day of the pay period following the one in which BENEFEDS receives and confirms your enrollment.

Qualifying Life Event

A qualifying life event (QLE) is an event that allows you to enroll, or if you are already enrolled, allows you to change your enrollment outside of an open season.

The following chart lists the QLE's and the enrollment actions you may take:

Qualifying Life Event	From Not Enrolled to Enrolled	Increase Enrollment Type	Decrease Enrollment Type	Cancel	Change from One Plan to Another
Marriage	Yes	Yes	No	No	Yes
Acquiring an eligible family member (non-spouse)	No	Yes	No	No	No
Losing a covered family member	No	No	Yes	No	No
Losing other dental/vision coverage (eligible or covered person)	Yes	Yes	No	No	No
Moving out of regional plan's service area	No	No	No	No	Yes
Going on active military duty, non-paystatus (enrollee or spouse)	No	No	No	Yes	No
Returning to pay status from active military duty (enrollee or spouse)	Yes	No	No	No	No
Returning to pay status from Leave without pay	**Yes (if enrollment cancelled during LWOP)**	No	No	No	**Yes (if enrollment cancelled during LWOP)**
Annuity/ compensation restored	Yes	Yes	Yes	No	No
Transferring to an eligible position*	No	No	No	Yes	No

*Position must be in a Federal agency that provides dental and/or vision coverage with 50 percent or more employer- paid premium.

The timeframe for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plan's service area and
- You cannot request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of a loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Generally, enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days haven't yet elapsed. That means once you have enrolled in either a dental or a vision plan, you cannot change or cancel that particular enrollment until the next Open Season, unless you experience a QLE that allows such a change or cancellation.

Canceling an enrollment

You can cancel your enrollment only during the annual Open Season. An eligible family member's coverage also ends upon the effective date of the cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the Open Season effective date.

When Coverage Stops

Coverage ends when you:

- no longer meet the definition of an eligible employee or annuitant;
- begin a period of non-pay status or pay that is insufficient to have your FEDVIP premiums withheld and you do not make direct premium payments to BENEFEDS;
- are making direct premium payments to BENEFEDS and you stop making the payments; or
- cancel the enrollment during open season.

Coverage for a family member ends when:

- you as the enrollee lose coverage; or
- the family member no longer meets the definition of an eligible family member.

Note: Coverage ends for a covered individual when MetLife does not receive premium payment for that covered individual.

Continuation of Coverage

Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under the FEDVIP plans

- Temporary Continuation of Coverage (TCC),
- spouse equity coverage, or
- right to convert to an individual policy (conversion policy).

However, we will pay benefits for a 31 day period after your insurance ends if before coverage ends the dentist:

- prepared the abutment teeth for the completion of installation of prosthetic devices;
- made an impression;
- prepared the tooth for cast restoration; or
- your dentist opened the pulp chamber before your insurance ends and the device is installed or treatment was finished within 31 days after the termination of coverage.

FSAFEDS/High Deductible Health Plans and FEDVIP

If you are planning to enroll in an FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA), you should consider how coverage under a FEDVIP plan will affect your annual expenses, and thus the amount that you should allot to an FSAFEDS account. Please note that insurance premiums are not eligible expenses for either type of FSA.

If you have an HCFSA or LEX HCFSA FSAFEDS account and you haven't exhausted your funds by December 31st of the plan year, FSAFEDS can automatically carry over up to $500 of unspent funds into another health care or limited expense account for the subsequent year. To be eligible for carryover, you must be employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31. You must also actively reenroll in a health care or limited expense account during the NEXT Open Season to be carryover eligible. Your reenrollment must be for at least the minimum of $100. If you do not reenroll, or if you are not employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st, your funds will not be carried over.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time period permitted. This is known as the "Use-it-or-Lose-it" rule. Carefully consider the amount you will elect.

For a health care or limited expense account, each participant must contribute a minimum of $100 to a maximum of $2,600.

Current FSAFEDS participants must re-enroll to participate next year. See www.fsafeds.com or call 1-877-FSAFEDS (372-3337) or TTY: 1-866-353-8058.

If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you can use your HSA or HRA to pay for qualified dental/vision costs not covered by your FEHB and FEDVIP plans.

Section 3 How You Obtain Care

Identification Cards / Enrollment Confirmation	When you enroll for the first time, you will receive a welcome letter along with an identification card ("ID Card"). It is important to bring your FEDVIP and FEHB ID card to every dental appointment because most FEHB plans offer some level of dental benefits separate from your FEDVIP coverage. Presenting both ID cards can ensure that you receive the maximum allowable benefit under each Program. If you require a replacement ID card, you will be able to view and print your ID card via MyBenefits after entering federaldental.metlife.com. An ID card is neither a guarantee of benefits nor does your provider need it to render dental services. Your dentist may call (877) 638-3379 to confirm your enrollment in the Plan and the benefits available to you. If you were enrolled in the MetLife Federal Dental Plan in 2017 and continue coverage for 2018, MetLife will provide you with a confirmation letter only.
Where You Get Covered Care	You can obtain care from any licensed dentist in the United States or overseas.
Plan Providers	We list our Plan providers on our website at: federaldental.metlife.com which we update weekly. When you make your appointment please inform the dental office you are enrolled in the FEDVIP plan and that you wish to use your In-Network benefits. This will also serve to confirm that the dentist is a MetLife provider. You may also contact customer service at (888) 865-6854.
In-Network	An employee is not required to select a primary care dentist. Employees are free to select the dentist of their choice. Plan benefits are available, subject to plan provisions, whether the dentist participates in our network or not. If you use a MetLife network provider, you are responsible only for billable charges up to our negotiated plan allowance per procedure. You are not responsible for treatment service charges in excess of the in-network negotiated per procedure maximum unless you consent in writing for these additional treatment charges. MetLife's network consists of independently credentialed and contracted providers. To find a dentist in your area go to: federaldental.metLife.com. You may also contact customer service at (888) 865-6854.
Out-of-Network	All plan designs allow for Out-of-Network benefits for the patient. Allowable charges will be based on the 80th percentile of our Usual and Customary charges.
Emergency Services	All expenses for emergency services are payable as any other expense and are subject to plan limitations such as frequencies, deductibles, and maximums. If you utilize the services of an Out-of-Network dentist for emergency services, benefits will be paid under the Out-of-Network Plan provisions. You are responsible for the difference between the Plan payment and billed charges.
Plan Allowance	The plan allowance is the amount we allow for a specific procedure. When you use a participating provider, your out-of-pocket is limited to the difference between the Plan allowance and our payment. When you use an Out-of-Network provider, you are responsible for the difference between the Plan allowance and our payment plus the difference between the amount the provider bills and the Plan allowance.
Pre-Certification	Pre-certification (Pre-determination) of benefits procedure is recommended for any procedure which is anticipated to cost at least $300 or which involves mandatory consultant review. Mandatory consultant review applies to such services as but not limited to, periodontal services, crowns, bridges, inlays/onlays (when performed together) veneers, implants (when a plan provides benefits for these procedures) and overdentures, among other services.

Alternate Benefit

Alternate benefits applicable to your treatment plan will be determined during Pre-certification. However, should the services billed differ from those pre-certified, MetLife reserves the right to determine if an Alternate Benefit is applicable to the actual services rendered.

If MetLife determines that a less costly covered service other than the covered service the dentist performed could have been performed to treat a dental condition we will pay benefits based upon the less costly service if such service would produce a professionally acceptable result under generally accepted dental standards

For example, when an amalgam filling and a composite filling are both professionally acceptable methods for filling a molar, or when a partial denture and fixed bridgework are both professionally acceptable methods for replacing multiple missing teeth in an arch we may base our benefit determination upon the amalgam filling or partial denture which is the less costly service.

If we pay benefits based upon a less costly service in accordance with this section the Dentist may charge you or your dependent for the difference between the service that was performed and the less costly service. This is the case even if the service is performed by an In-Network dentist.

Dental Review

MetLife's claim review is conducted by licensed Dentist Consultants who review the clinical documentation submitted by your treating dentist. These Dentist Consultants review this material checking for dental necessity for certain procedures such as crowns, bridges, onlays, implants, periodontal treatments, as well as other services. The Dentist Consultants may also recommend that an alternate benefit be applied to a service in accordance with the terms of the plan, therefore, it is very important that these types of dental services are pre-determined for benefits, so that, you and your dentist are aware of the coverage terms and benefits before services are performed.

First Payor

If you have dental coverage through your FEHB plan and coverage under FEDVIP, your FEHB plan will be the first payor of any benefit payments. When services are rendered by a provider, who participates with both your FEHB and your FEDVIP plan, the FEDVIP plan allowance will be the prevailing charge, in these cases. We are responsible for facilitating the process with the primary FEHB payor. You are responsible for the difference between the FEHB and FEDVIP benefit payments and the FEDVIP plan allowance. See examples 1 and 2 below.

It is important to bring your FEDVIP and FEHB identification cards to every dental appointment because most FEHB plans offer some level of dental benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program.

Example 1: High Option coverage when services are provided by an In-Network provider

When the covered individual has FEHB coverage that offers dental benefits, FEHB is always First Payor.	Services are provided by an In-Network Provider
Provider submitted charge for a one surface amalgam filling*	$108.00
In-network fee	$60.00
FEHB paid as first payor (or MetLife' estimate)	$16.00
MetLife benefits payable in the absence of FEHB coverage	$42.00 ($60.00 at 70%)
Payment by MetLife	$42.00
Patient's responsibility to the provider	$2.00 ($60.00 - $16.00 - $42.00 = $2.00)
**This example assumes all deductibles have been met and annual maximums have not been reached.*	

Example 2: High Option coverage when services are performed by an Out-of-Network provider

When the covered individual has FEHB coverage that offers dental benefits, FEHB is always First Payor.	Services are provided by an Out-of-Network Provider
Provider submitted charge for one surface amalgam filling*	$108.00
In-Network Fee	N/A
FEHB payment as first payor (or MetLife's estimate)	$16.00
MetLife benefits payable in the absence of FEHB coverage	$64.80 ($108 x 60%)
Payment by MetLife**	$64.80
Patient's responsibility to provider**	$27.20 ($108.00 - $16.00 - $64.80 = $27.20)
*This example assumes all deductibles have been met and annual maximums have not been reached.	**Assumes the provider charge is within MetLife's Usual and Customary guidelines.

Coordination of Benefits

If you are covered under a non-FEHB plan, your MetLife Federal Dental benefits will be coordinated using traditional COB provisions for determining payment. Please see examples 1 and 2 below.

When benefits are coordinated between MetLife and a non-FEHB carrier, the maximum allowable charge may vary depending upon the contractual relationship and contracted fee between MetLife and non-FEHB carrier. The participant may be responsible for the difference between the combined non-FEHB and MetLife benefit payment and the providers' allowable charge.

Example 1: Coordination of Benefits with High Option coverage when services are performed by an In-Network provider.

When MetLife is secondary to a non-FEHB dental carrier.	Services are provided by an In-Network Provider
Provider submitted charge for two surface amalgam filling	$121.00
In-network Fee	$73.00
Payable by Primary Carrier.	$60.50
MetLife benefits payable in the absences of other insurance*	$51.10 ($73.00 at 70%)
Payment by MetLife	$12.50
Patient's responsibility to the provider **	$0 ($73.00 - $60.50 - $12.50 = $0.00)
*This example assumes all deductibles have been met and annual maximums have not been reached.	** Assumes the provider has no other contractual relationship regarding negotiated fees with the primary carrier.

Example 2: Coordination of Benefits with High Option coverage where services are provided by an Out-of-Network provider.

When MetLife is secondary to a non-FEHB carrier	Services are provided by an Out-of-Network Provider
Provider submitted charge for 2 surface amalgam fillings	$121.00
In-Network Fee	N/A
Payment of Primary Carrier.	$96.80
MetLife benefits payable in the absence of other insurance*	$72.60 ($121.00 x 60%)
Payable by MetLife	$24.20
Patient's responsibility to the provider **	$0 ($121.00 - $96.80 - $24.20 = $0)
**This example assumes all deductibles have been met and annual maximums have not been reached.*	***Assumes the provider charge is within MetLife's Usual and Customary guidelines.*

Right of Recovery

If the amount we pay is more than we should have paid under the First Payor provision or when benefits are coordinated we may recover the excess from one or more of:

- the person we have paid;
- insurance companies; or
- other organizations.

The amount of the payment includes the reasonable cash value of any benefits provided in the form of services. However, in no circumstance will the member be responsible for a greater out of pocket amount then he/she would have been responsible for had there been no overpayment.

Rating Areas

Your rates are determined based on where you live. This is called a rating area. If you move, you must update your address through BENEFEDS. Your rates might change because of the move. Your rates will not be impacted if you temporarily reside at another location

Limited Access Area

If you live in a limited access area and you receive covered services from an out-of-network provider, we will pay benefits based on our in-network plan allowances. The determination of network adequacy is based on a ratio of Federal eligibles to network and general dentistry providers in a particular area. To determine if you are in a limited access area or specialty services are needed, please contact MetLife at (888) 865-6854 or TDD (888) 260-5376. MetLife reviews the limited access areas quarterly to ensure you have adequate access to our general dentistry in-network providers. Therefore, we recommend you call (888) 865-6854 to confirm if you are still in a limited access area as your claim payment may be impacted. The limited access rule applies to general dentistry providers and specialty services. If the services must be provided by a specialist and one is not available in your area, please call us for assistance. If an in-network provider (general or specialist) can perform a specialty service, then that service will be covered at the in-network benefit. Please contact MetLife at (888) 865-6854 or visit our website at federaldental.metlife.com to obtain a list of in-network general dentists in your area, who may be able to perform specialty services.

Claim Determination Period

A period that starts on any January 1 and ends on the next December 31. A claim determination period for any covered person will not include the periods of time during which that person is not covered under this Plan.

Should you experience a lapse in coverage during the calendar year, any benefits paid after reinstatement will be accrued to the maximums applicable to that same calendar year.

Section 4 Your Cost For Covered Services

This is what you will pay out-of-pocket for covered care:

Deductible

A deductible is a fixed amount of expenses you must incur for certain covered services and supplies before we will pay for covered services. There is no family deductible limit. Covered charges credited to the deductible are also counted towards the Plan maximum and limitations.

The Lifetime Maximum is applicable to Orthodontia benefits only. There are no other lifetime maximums under this Plan.

	In-Network High Option	In-Network Standard Option	Out-of-Network High Option	Out-of-Network Standard Option
Lifetime Orthodontic Maximum	$3,500 (child)/ $1,500 (adult)	$2,000	$3,500 (child)/ $1,500 (adult)	$1,500

In-Network Services

There is no requirement to use a participating provider. However, In-Network plan benefits will be paid if you use the services of a participating provider. In most cases this results in a lower out-of-pocket expense to you. No referral process is needed for access to specialty care.

If you reside in a limited access area your benefits will be paid at the In-Network benefit level. For additional information on limited access areas, please see Section 3, How You Obtain Care.

If your participating dentist decides to terminate his or her relationship with MetLife all treatments that began prior to the termination will be payable at the in-network level of benefits. All new treatment or treatment plans that do not start prior to the termination are payable at the Out-of-Network level of benefits. Remember, for In-Network services you only pay the difference between the Plan Allowance and the plan payment.

Out-of-Network Services

All services rendered by an out-of-network dentist will be paid as out-of-network benefits, except for limited access benefits. All benefits are payable based on the 80th percentile of MetLife's usual and customary charges for a dentist in your area.

Calendar Year

The calendar year refers to the plan year, which is defined as January 1, 2018 to December 31, 2018.

Prorated Orthodontia Benefits

If a dependent's orthodontic services are initiated prior to the end of their waiting period, we will prorate benefits. Twenty-five percent (25%) of the plan allowance is considered as the fee for initial placement of the appliance. Because this occurred prior to the end of the waiting period for dependent orthodontia benefits it is considered a non-covered expense. The balance of the Plan Allowance, 75%, will be divided by the total number of monthly visits provided in the orthodontist's treatment plan. Benefits are payable at 50% of the plan allowance.

Class D Orthodontic

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are necessary for the prevention, diagnosis, care, or treatment of a covered condition and meet generally accepted dental protocols.
- The calendar year deductible is $0 per person.
- Adults (Members and Spouses) are eligible for a $1,500 orthodontic lifetime maximum benefit in the High Option **ONLY**. The Standard Option plan does NOT offer an adult orthodontic benefit.
- The lifetime maximum for the child receiving orthodontic services depends on the option in which you enroll and if you chose to receive services from a network provider. For example, if you are covered by the High Option, the lifetime maximum is $3,500 regardless of the participating status of the provider. In the Standard Option services rendered by an In-Network provider will be subject to a $2,000 lifetime maximum and services rendered by an Out-of-Network provider will be subject to a $1,500 lifetime maximum.
- The benefit payable for the initial placement will not exceed 25% of the Lifetime Maximum Benefit Amount for the appliance. All supplemental payments will be made in equal installments pro-rated over the balance of a maximum period of 29 months. Should your coverage terminate or your child reach the orthodontia maximum age of 19, your dependent child's orthodontia benefit payments will end. If you were enrolled prior to January 1, 2014, a dependent child's course of treatment (banding) began prior to January 1, 2014 and you have satisfied a 24 month waiting period in the same MetLife Federal Dental plan option, you will be eligible for installments pro-rated over the balance of the maximum period of 29 months. If treatment started prior to January 1, 2014, and your enrollment date is January 1, 2014 or later, no benefits are payable. If treatment started January 1, 2014 and your enrollment date is January 1, 2014 or after, member/dependent will be eligible for installment pro-rated over the balance of the maximum period.
- The following list of services includes those services most commonly provided to covered individuals. It is not an all-inclusive list of covered services. Section 8 Claims Filing and Disputed Claims Processes

How to File a Claim for Covered Services

To avoid delay in the payment of your claims please have your dentist submit your claims directly to MetLife for payment.

MetLife's dental providers may submit their claims directly to MetLife by accessing MetDental.com where we provide them with real-time results. However, should you wish to send in a paper claim you may download a claim form from the website federaldental.metlife.com.

Mail completed claim form to:

MetLife Dental Claims
P.O. Box 981282
El Paso, TX 79998-1282

When a claimant files a claim for dental insurance benefits described in this brochure, both the notice of claim and the required Proof should be sent to us within 90 days of the date of a loss. If notice of claim or proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given as soon as is reasonably possible

Deadline for Filing Your Claim

You must submit your claim to us within 13 months following the delivery of the services in order for them to be considered for Plan benefits.

Disputed Claims Process

Follow this disputed claims process if you disagree with our decision on your claim or request for services. **FEDVIP legislation does not provide a role for OPM to review disputed claims.**

Step	Description
1	Ask us in writing to reconsider our initial decision. You must include any pertinent information omitted from the initial claim filing and mail your additional proof to us within 180 days from the date of receipt of our decision.
2	Send your request for reconsideration to: MetLife Dental Claims Appeals P.O. Box 14589 Lexington, KY 40512 We will review your request and provide you with a written or electronic explanation of benefit determination within 30 days of the receipt of your request.
3	If you disagree with the decision regarding your request for reconsideration, you may request a second review of the denial. You must submit your request to us in writing to the address shown above along with any additional information you or your dentist can provide to substantiate your claim so that we can reconsider our decision. Failure to do so will disqualify the appeal of your claim.
4	If you do not agree with our final decision, under certain circumstances you may request an independent third party, mutually agreed upon by MetLife and OPM, review the decision. To qualify for this independent third party review the charge for the procedure in question must be in excess of $300 and the reason for denial must be based on our determination that the rationale for the procedure did not meet our dental necessity criteria or our administration of the plans Alternate Benefit provision, for example, a bridge being given an alternate benefit of a partial denture. The decision of the independent third party is binding and is the final review of your claim. This decision is not subject to judicial review. If the matter is not eligible for this third level of review, the second level of review is binding and is the final remedy available to you. This decision is not subject to judicial review.

Initial Determination

MetLife will review your claim and notify you of its decision to approve or deny your claim. Such notification will be provided to you within a 30-day period from the date you submitted your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of the Plan. If MetLife needs such an extension, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision (s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge.

Overpayments

We have the right to recover any amount that we determine to be an overpayment, whether for services received by you or your dependents.

An overpayment occurs if we determine that:

- the total amount paid by us on a claim for dental benefits is more than the total of the benefits due to you under this brochure; or
- payment we made should have been made by another group plan

If such overpayment occurs, you have an obligation to reimburse us.

Recovery of Dental Insurance Overpayments

We may recover the overpayment from you by: stopping or reducing any future benefits payable under the MetLife Federal Dental Plan; demanding an immediate refund of the overpayment from you; and/or taking legal action.

We may recover such overpayment in accordance with that agreement. If the overpayment results from MetLife having made a payment to you that should have been made under another group plan, we may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or
- from you.

If such payment occurs, you have an obligation to reimburse us any monies you have received over and above what your normal out of pocket would have been had the overpayment not occurred.

Section 9 Definitions of Terms We Use in This Brochure

Calendar Year	From January 1, 2018 through December 31, 2018. Also referred to as the Plan year.

Class B Services	Intermediate services, which include restorative procedures such as fillings, prefabricated stainless steel crowns, periodontal scaling, tooth extractions, and denture adjustments.

FEDVIP	Federal Employees Dental and Vision Insurance Program.
Generally Accepted Dental Protocols	Dental Necessity means that a dental service or treatment is performed in accordance with generally accepted dental standards, as determined from multiple sources including but not limited to relevant clinical dental research from various research organizations including dental schools, current recognized dental school standard of care curriculums and organized dental groups including the American Dental Association, which is necessary to treat decay, disease or injury of teeth, or essential for the care of teeth and supporting tissues of the teeth.
Maximum Allowed Charge	The contracted or billed amount of the dental charge, whichever is less.
Network Allowance	The allowance per procedure that MetLife has negotiated with the provider and what the provider has agreed to accept as payment in full for his/her services.
Plan	The MetLife Federal Dental Plan
Plan Allowance	The amount we use to determine our payment for services. If services are provided by an in-network dentist the Plan Allowance is based on the discounted fee he or she accepts as payment in full for the procedure or procedures. If services are provided by an out-of-network dentist the Plan Allowance is based on MetLife's determination of usual and customary charges for the procedure or procedures.

Usual and Customary Charge

Usual and Customary Charges are the lowest of:

- the Dentist's actual charge for the services or supplies (or, if the provider of the service or supplies is not a Dentist, such other provider's actual charge for the services or supplies); or
- the usual charge by the Dentist or other provider of the services or supplies for the same or similar services or supplies; or
- the usual allowance for an area is the usual charge made by most dentists in the same geographic area for the same or similar service or supply. MetLife's claim payment system uses data accumulated through internal claim processing to establish procedure code specific customary allowance within a geographic area. We use the 80th percentile charge to establish a customary allowance. Using the 80th percentile recognizes that even within a geographically contiguous area, charges for a procedure may vary based on location, provider qualifications, or the nature of the specific case. At the same time, payment for charges far in excess of the prevailing fee will be reduced to the 80th percentile amount for benefit payment purposes. The 80th percentile is felt to be a fair level since full payment is allowed not only for average charges, but also for fees somewhat about the average rate.
- **An example,** of how the 80th percentile is calculated is to assume one hundred (100) charges for the same service are contained in MetLife's Usual and Customary charge records. These one hundred (100) charges would be sorted from lowest to highest charged amount and numbered 1 through 100. The 80th percentile of charges is the charge that is greater than or equal to the charged numbered 80.

Waiting Period

The amount of time that you must be enrolled in this plan before you can receive dependent orthodontic services. Benefits are prorated if the treatment began prior to satisfying the waiting period. Please see section 4 How You Obtain Care, for an explanation of how the benefits will be prorated.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except to your providers, the MetLife Federal Dental Plan, BENEFEDS, or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review your explanation of benefits (EOBs) statements.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
- Call the provider and ask for an explanation. There may be an error.
- If the provider does not resolve the matter, call us at (888) 865-6854 and explain the situation, you will be required to state your complaint in writing to us.
- Do not maintain as a family member on your policy:
- Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
- Your child over age 22 (unless he/she is disabled and incapable of self- support).

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure prior to submitting your enrollment or obtaining benefits.

Fraud or intentional misrepresentation of material fact is prohibited under the plan. You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the plan when you are no longer eligible.
