

Speaker 1: We talk about things that, uhm, I don't talk about to anybody else.

Speaker 2: We talk about, you know, retirement. We talk about traumatic experiences. [Traumatic experiences?] Recently I did have an accident. I was really in shock and I just couldn't believe it happened to me. [Did you have insurance?] I have Accident Insurance because I wanted to make sure that my life was on track and that anything that was unforeseen I was prepared for that. [How did you benefit from Accident Insurance?] I think insurance has helped me get to my goals. It's prevented me taking three steps back financially.
